# TUCK'S POST CARD

CARTE POSTALE — POSTKARTE

**Illecillewaet Glacier from the Railway.** One of the chief attractions for tourists is the Illecillewaet Glacier, and, while not the largest in the Canadian Rockies, it is the most accessible and in every way representative of these interesting natural phenomena. A trip across its face leaves a lasting impression on one's memory. The Illecillewaet River takes its rise from this great glacier of the Selkirks.
